## **Girl Prep Takes on Hollywood!**

April 6, 2009

Get empowered! The Young Women's Empowerment Network and In a Perfect World recently hosted Girl Prep, an empowerment conference for girls aged 10-13. What is an empowerment conference? Well, it involves celebs(!) and giving girls a chance to make a difference in their communities. The Girl Prep conference, which took place on March 28 in Hollywood, (hosted by Maiara Walsh from *Corey in the House* and Brando Eaton from *Zoey 101*!!) gave disadvantaged teen girls access to cool opportunities and a chance to meet cool celebs like Miley, Hayden, Jason Dolley, Corbin Bleu, and Carlisle, Jasper, and Emmett from *Twilight* (or rather, their real-life counterparts, Peter Facinelli, Jackson Rathbone, and Kellan Lutz)!
